BDU professor gets TANSA Social Scientist award

Head of commerce and financial studies department, Bharathidasan University M Selvam has been selected for TANSA-Social Scientist award for 2018. The award comes with Rs 50,000 and citation. State government gives the award every year in 10 different disciplines with an objective to encourage and honour scientists and researchers who have contributed significantly through applied research in their field of specialisation. With more than 25 years of teaching experience, Selvam has been awarded D Litt in Management for his contribution on firm performance which is socially and economically relevant.

He also analysed profitability and growth performance of commercial banks and the manufacturing companies.
